

**The Vestry met Tuesday, June 15, 2021 for their regular meeting. Here are the highlights:**

1. The Treasurer, Kathryn Ryan-Thaanum, reviewed the church finances for the Vestry and everything is in order.
2. The Vestry approved revised protocols, developed by the Re-Entry Team, for indoor worship and meetings on campus (note for you all, we will have these to post shortly but making one more change)
3. As we think and plan for the future, members of the Vestry reported on conversations they've had around these questions:
  - o What are we doing well?
  - o What do we do that is distinctive or unique?
  - o How do we welcome and engage the community outside our church?
  - o How are we an asset in our local area?

The Vestry would like to have more of these conversations – please contact any Vestry member to participate! As a reminder, this is our Vestry: Fran Foote (Senior Warden), Sarah Schramm (Junior Warden), Kozue Knowles, Peg Wittrock, Susan Blush, Ray Brown, Donna Daunt, Cynthia Beach Guthrie, Mickey Welsh.

4. Next meeting is August 17.
