

## Vestry Highlights

The 2020 Diocesan audit showed that overall, St. Mary's is doing well.

Nicholas Mourlam, St Mary's Music Director, updated the vestry on the many activities in the works and reported that the choir has grown and includes new parishioners. Safety remains a primary concern and plans reflect our commitment to safely conducting a vibrant music program.

The parish workday on August 15 was a huge success. Thank you to all who participated!

St. Mary's continues to be a warm and welcoming parish - we have quite a few new folks participating in worship and other activities. It is wonderful to see the joy and vibrancy of our community.
