

The Vestry met on September 22 – here are the highlights:

- 1) Stewardship season is here! Expect a letter and pledge card for 2022 to arrive next week.
- 2) Following the Finance Committee's recommendations, the Vestry voted on the disposition of some bequests and large gifts: \$25,000 for front yard improvements (buildings and grounds will make recommendations), \$12,000 for additional buildings and grounds needs, and \$20,000 to hire a part-time family/youth minister.
- 3) The Rector's report included a slide show of her first two years here at St. Mary's and we want to share it! It will be up on the website soon.
