

Climate Church & Liturgy Resources for Weekly Reminder for all

78th general Convention, 2015

Liturgical Materials for Honoring God in Creation

https://www.episcopalchurch.org/wp-content/uploads/sites/2/2020/11/liturgies_honoring_god_in_creation_sclm.pdf

Season of Creation (South Africa 2008) booklet

6 weeks: Biodiversity; Land; Water; Climate Change; Need not Greed; Stewardship.

I can attest to this as a great resource... It has great liturgical suggestions and is very user-friendly. Though the facts in the fact sheets are out of date, they are still useful because they offer great suggestions for what to present and what questions to ask.

Here you can download it

Mary of the Cosmos an icon of Theotokos Orans with the earth and cosmos in her heart where Christ usually appears. This icon is by Sister Bernadette Bostwick, Sisters of the Earth Community, Green Mountain Monastery (in the tradition of Thomas Berry)

<http://www.greenmountainmonastery.org/mary-of-the-cosmos.php>

This monastery has a practice of Visio Divina:
