

Vestry Highlights – November 16, 2021

1. Preview of 2022 budget which will be discussed and voted on at the December meeting.
2. Pledges are still needed to help meet the needs of the parish. If you haven't submitted your pledge yet, there is still time!
3. A couple married at St. Mary's 38 years ago and now living in Reno, Nevada, stopped by the church to go inside and recall their wedding day. They asked about our plans for the front yard and they were told that our Buildings & Grounds team is working with a landscape architect to develop some possibilities that will meet the needs of the parish and community. They asked that we let them know when we have a plan so that they can help make it happen!
