

Highlights from October Vestry Meeting

Pledge season is Oct 20-Nov 20! Pledge letters have been mailed to the congregation and some members will be sharing reflections at Sunday services during this time.

The vestry is beginning to plan the church budget for 2023. Ministry leads have submitted budget requests and the finance committee will propose a recommended budget to the vestry.

We spoke of the many upcoming Advent activities and the Christmas services planned.

In October, the vestry also approved [revised COVID protocols](#), posted on the church website. Masks are required for all worship services. Masks are optional outdoors and at non-worship events, such as concerts. Coffee hour may be hosted indoors when the weather is too cold or wet for gathering outdoors.
