

Vestry Highlights from August 23, 2023 meeting

1. The Vestry periodically receives input from parishioners and others in the community about possible uses for space on our campus. Over the next few months we will continue discerning what we are called to do and how to proceed.
2. Ellen Jahn and Roni Portillo provided an overview of the upcoming Pledge Season, with the kickoff planned for October 8th.
3. Harrison Schramm provided a brief summary of our financial reports. He notes that we are still a bit behind on the fulfillment of pledges; however our expenses are also somewhat lower than budgeted.
